

# WANDIMAGEGN GIRMA

Software Developer — Front-End & Back-End

Addis Ababa, Ethiopia | Tel: 0967553275 | Email: wandimagegngirma@gmail.com

## PROFESSIONAL SUMMARY

---

Software Developer with 4 years of hands-on experience building and maintaining web applications across the full stack. Skilled in front-end development with Angular and React, and back-end development with Node.js. Solid foundation in object-oriented programming, databases, and system design, backed by a BA in Computer Science and national TVET-COC certification (Level I– III). Currently developing software solutions at Applied Line Company. Reliable, detail-oriented, and committed to writing clean, maintainable code.

## WORK EXPERIENCE

---

### Software Developer (Front-End & Back-End) — AA Advanced Information Technology PLC    **Current — 2 Years**

- Developed multiple web applications, including a Task Management System ([tasks.deskdigital.et](https://tasks.deskdigital.et)).
- Develop and maintain front-end interfaces using Angular and React, building responsive and user-friendly web applications.
- Design and implement back-end services and APIs using Node.js.
- Collaborate with team members on the full software development lifecycle, from requirements gathering to deployment.
- Work with relational and non-relational databases to support application data needs.

### Software Developer — Gibson College    **2 Years**

- Developed a Teacher Performance Evaluation System ([evaluation.gyaschool.com](https://evaluation.gyaschool.com)), a web application used to assess and track teacher performance.
- Contributed to the development and maintenance of software applications and systems.
- Applied programming skills in real-world projects, strengthening full-stack development capabilities.
- Supported troubleshooting, testing, and improvement of existing software solutions.

## PROJECTS

---

### Task Management System — [tasks.deskdigital.et](https://tasks.deskdigital.et)

- Developed a task management web application as part of ongoing project work at AA Advanced Information Technology PLC.
- Live at: <https://tasks.deskdigital.et/>

### Teacher Performance Evaluation System — [evaluation.gyaschool.com](https://evaluation.gyaschool.com)

- Designed and developed a web-based platform for evaluating and tracking teacher performance, built during my time at Gibson College.
- Live at: <https://evaluation.gyaschool.com/>

## EDUCATION

---

### BA in Computer Science — University of Gondar, North Region, Ethiopia

Graduated July 29, 2021 (G.C.)

### Secondary Education

- Grade 1–8 (1998–2005 E.C.) — Tulu Shenen Elementary School
- Grade 9–12 (2006–2009 E.C.) — Galema High School & Robe Preparatory School

## CERTIFICATIONS

---

- National Qualification Certificate (COC), Level **I– III** — FDRE Technical and Vocational Education and Training (TVET) Agency

## TECHNICAL SKILLS

---

**Languages & Frameworks:** Angular, React, Node.js, JavaScript, PHP, Laravel, C++, Java, HTML

**Databases:** MySQL, SQL, Microsoft Access

**Operating Systems:** Windows, UNIX, Android

**Development Tools:** UML Diagramming, Microsoft Visio, NetBeans

**Office & Design Software:** Microsoft Word, Excel, PowerPoint, WordPerfect, FrontPage, Photoshop

## PERSONAL DATA

---

**Date of Birth:** Hidar 03, 1991 (E.C.)

**Place of Birth:** Bale Robe

**Nationality:** Ethiopian

**Marital Status:** Single

**Sex:** Male
